Speed		30/10 Mbps	30/10 Mbps	50/10Mbps

Bundling

No bundling services are available with this service.

What is not included?

This product is an internet only service. Redfox does not offer an email address with this service.

Mandatory Components

Your installation includes the provision of a Wireless Antenna (CPE). The cost of the CPE forms part of your Installation Fee. A router is not required for the service to work. However, should you wish to access WiFi you can purchase an eWAN WiFi router from Redfox.

Service Availability

Due to the diversity in locations and the limitations of desktop planning, installers may not be able to achieve a link via standard installation. In some instances, the service may not be available in your area. Your address must be prequalified before your application will be accepted and processed.

Maximum Charge and Excess Usage

Your monthly usage is calculated on both your downloads and uploads. Redfox do not charge excess usage charges on any of their services. However, once you reach your monthly data allowance, your connection speed will be reduced to 1Mbps/1Mbps until the end of your billing period. No additional charges apply. Your data can be reset at a cost of \$45.00 by contacting our office.

Maximum Early Termination Charge

The customer may cancel the service by providing written notice of their intention via email to internet@redfoxcorp.com.au and completing the relevant cancellation form.

Cancellation shall take effect no earlier than thirty days following notice being given.

If you are still under contract, a termination fee equal to the unexpired contract term multiplied by 50% will apply.

Installation Fee

In addition to the monthly charge, you may pay the following equipment and installation charges. The below prices are based on mapping qualification and higher rates may apply depending on your address for installation. You will be advised of any out of scope charges before your application is processed.

Plan	12 month contract	24 month contract	36 month contract
Eagle 1000	\$400	\$300	\$0
Eagle Unlimited	\$400	\$300	\$0
Falcon Unlimited	\$400	\$300	\$0

Customers may choose to pay their activation charge over a 12-month period (called an MRO). This is charged at \$35 per month for a \$400 install fee, with the total cost being \$420. For a \$300 install fee this is charged at \$27 per month, with the total cost being \$324.

GST

All prices quoted in this document are inclusive of GST.

Residential Fixed Wireless – Critical Information Summary

OTHER INFORMATION

Billing

Bills are issued monthly on the anniversary date of your install. The invoice is emailed to your nominated email address. You will be given access to customer portal which allows you to view recent and historical bills as well as usage information.

Relocation

Should you wish to relocate your service Redfox will provide a quotation at the time of your request. Redfox cannot guarantee there will be coverage at your new address and a signal test will need to be conducted to confirm viability. If you are currently under contract and there is no coverage at your new address, our standard termination charges will apply.

Other Fees and Charges

Other fees and charges may apply throughout the term of your service in accordance with our Terms and Conditions. Some examples include Hardware Replacements, At-Fault Site Attendances, Relocations and Printed Invoices. Please contact Redfox for more information.

Information about Speeds

Redfox Fixed wireless speeds are variable based on congestion, distance from the repeater, local conditions, hardware, software and other factors, and the below factors.

- Performance of End-Users network equipment (such as router, switches, WiFi Extenders, Access Points etc.
- Connecting to the router via WiFi or Ethernet LAN
- Cable quality within the building
- Amount of people using the internet at one time.

For further information relating to data usage, you can download our Data and Wireless Usage Guide by visiting <https://redfoxcorp.com.au/wp-content/uploads/2019/01/Data-and-Wireless-Usage-Guide.pdf>

The Communications Alliance have developed the Broadband Education Package which can be found at www.commsalliance.com.au/BEP. This is a general guide to help Australian consumers better understand broadband technologies and the factors that can influence their experience when using broadband connections, trouble-shooting tips and answers to some frequently asked questions.
